

Northport Public School

Laptop Computer Check-Out Permission Slip

Parent or Guardian,

To make sure that your child uses the laptop properly and returns it to Northport Public School intact, please review the following check list with your child:

Safety and Care Checklist

- Treat the laptop like a computer, a very valuable object.
- Do not use or take the laptop out on the bus or share with other students while it is in your care, unless prior approval is given.
- Accidents such as a fall or drop that result in breakage is a liability assumed by the school.
- Mistreatment, from neglect, lack of care, or loss due to carelessness is assumed by the parent and the student.
- Don't leave the laptops in a cold car or outside.
- Don't get it wet.
- Do share and teach siblings and family how the laptop works while it is in your home.

Once you have reviewed this checklist with your student, please sign, detach and return the permission slip below. Without this slip, your child will not be able to check out the laptop for home use.

The Staff of Northport Public School

----- 

My student has permission to check out the laptop assigned to him/her from Northport Public School. I have reviewed the safety and care checklist with my child. When the laptop is checked out to my student, I agree to be responsible for the items mentioned above and for the laptop's return.
